Start time: 7 pm

163 Station Street

September 17 - Beyond Borders

Angelina Jolie/Clive Owen

In a place she didn't belong, among people she never knew, she found a way to make a difference

October 15 - Transamerica

Felicity Huffman

One person's journey of becoming who they were meant to be

November 19 - Babette's Feast

In 19th Century Denmark Babette prepares the feast of a lifetime for the members of a tiny church and an important gentleman related to one of them. Very highly recommended and critically well received. (Danish with subtitles)

December 17 - Christmas Special

Those who gather this evening get to choose from one of the classic Christmas tales or maybe a fun new take on what Christmas is all about.

January 14 - Crude-The Real Price of Oil

Three years in the making, Crude tells the epic story of one of the largest and most controversial legal cases on the planet: the infamous \$27 billion "Amazon Chernobyl" lawsuit pitting 30,000 rainforest dwellers in Ecuador against the U.S. oil giant Chevron

February 11 - Life Of Brian (Monty Python)

A masterpiece that lampoons organized religion by following the adventures of Brian Cohen who has been mistaken as the Messiah

March 17 - Osama

This Golden Globe winning drama was the first film made in Afghanistan after the fall of the Taliban, and was inspired by the true story of a mother and daughter's struggle to survive the brutal Taliban regime.

April 2 - the Corporation

Explore the nature and spectacular rise of the dominant institution of our time.

Roger Ebert: Sure to break up any dinner-table conversation

May 12 - The Mission

Robert DeNiro, Jeremy Irons, Liam Neeson, Aidain Quinn

Beautifully photographed story of Jesuit missionaries in disputed territories in South America and the conflicts they experience with slavers and the Vatican.

The soundtrack by Ennio Morricone is outstanding.
